### ***Do you have audio equipment?***

That said, the barn and restaurant have speakers that can be utilized with an auxiliary cord.  
If you would like to set up a playlist for either of these locations,  
we're happy to allow you to use our system here.  
(Generally, this works best for cocktail hour in the barn or for dinner in the restaurant)  
DJs cannot plug into these speakers with their equipment.

### ***Do I need a stage?***

Some bands require a stage under the tent.  
If you plan to have a band, let us know and we can provide you with a quote
