FLORAL DESIGN & DECOR SERVICES

The farm's floral team can provide all the floral and decor services needed for your event or wedding at Blooming Hill Farm.

This includes:

- Working with you to create your vision, color scheme, and wedding style within your budget
 - Email and phone consultations
 - Set up and installation of your flowers
 - Clean up and breakdown after your event

Farm-grown flowers and seasonally foraged flowers and greenery are used wherever possible. However, depending on availability, mostly any type of flower or greenery can be sourced!

If there is something in particular you are looking for that we are unable to source from local farms, we do also purchase from a local wholesaler.
